REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

2010-2011 was another memorable school year at White Knoll Middle School. We continue to feel the effects of a struggling economy. Despite the challenges of cutbacks in staff and reduced funding, however, we see progress and remain optimistic as we do whatever it takes to produce 21st century learners.

We are proud of our accomplishments. WKMS received a Palmetto Gold Award for academic achievement and a Palmetto Silver Award for Closing the Achievement Gap on the Palmetto Assessment of State Standards. Our Measure of Academic Progress results show that more than 53 percent of our students (a benchmark established by our district) met and exceeded their growth targets in all areas at all grade levels. Nineteen of our eighth-graders earned Junior Scholar status, and two of our seventh-graders became Duke Talent Identification Program Scholars.

At our annual Honor Hawk Program, we honored two students for making the A Honor Roll throughout their years at WKMS, four for making the A Honor Roll for two consecutive years, and 13 for earning all As this year. Almost 20 percent of our students achieved A/B Honor Roll all year long!

Teachers developed and implemented common core assessments in all core classes at all grade levels this year. Our science scores on district tests were consistently among the highest in the district in all three grades. On the End-of-Course Algebra I Honors test, 35 percent of our students scored 100 percent and 73 percent made an A! One hundred percent of eighth-graders taking the English I Honors and Algebra I Honors end-of-course test passed.

Our performing arts program continues to thrive. The band won an overall rating of "excellent" at the SCBDA concert festival. Our combined chorus received "superior" and "excellent" ratings at the Fiesta-Val Williamsburg Music Showcase. Our orchestra and dance performances were outstanding and well attended. The drama productions in the fall and spring received "critical acclaim" from the audiences as well.

Our Robotics Team placed first in all five categories at regional competition. At their state conference, the S.C. Association of School Librarians awarded an Honorable Mention to a group of students from our media center for their banner, "The Hunger Game." Our Response to Intervention (RTI) program is running smoothly, providing multiple sources of support for students. Our advisory program is still going strong, providing an adult advisor/friend for every student.

More than a third of our teachers have earned National Board Certification. This year our executive secretary became the S.C. Office Professional of the Year.

WKMS represents our community at-large with its big heart. We give generously to the Lexington Interfaith Community Services, Relay For Life (American Cancer Society) and United Way. This year we ranked fourth in the state in fundraising for Pasta for Pennies (American Leukemia Society). Our Special Services staff provided food for the Ronald McDonald House the first Tuesday of each month. Teachers are planning fundraising strategies for a new project to support women's health next year!

The PTA worked the canteen for football and basketball games, and used the proceeds for staff appreciation and unexpected treats for students. Our School Improvement Council was a source of counsel and support. We hope to increase participation next year by adding ninth-grade student representatives to help us help students prepare and bridge the transition to high school. Dr. Nancy L. Turner, Principal, and Edna Moore, School Improvement Council Chair
